

C. FLEET MANAGEMENT ADVISORY COMMITTEE

The Fleet Management Advisory Committee (FleetMAC) is a committee of representatives from all state agencies that is utilized to provide input into various aspects of fleet management such as implementing the vehicle information system and development of new state vehicle policies as deemed appropriate. A listing of FleetMAC members is available in Appendix E.

To date, FleetMAC members have assisted in the following efforts:

- Development of Fleet Information System requirements, data elements, table values and reporting requirements
- Reporting their respective agencies' compliance with the State Vehicle Policy
- Reporting basic vehicle data as requested by the State Fleet Manager
- Reporting past accomplishments and future goals for their respective agency fleets

FleetMAC members will play an essential role in meeting the 2003 Fleet Management Program goals outlined below. A complete list of goals for 2003 is located in Section F.

- Reduce the state fleet by 10%
- Implement the statewide Fleet Information System
- Review and comment on proposed State Vehicle Policy revisions
- Provide input on various fleet financing options
- Provide input on potential resource sharing efforts
